Dear Mr. Carrillo:

826 SOUTH INDIANA STREET

This letter supercedes our letter dated May 24, 2000. We revised the agreement to improve as described on the enclosed.

Please execute and return the enclosed **revised** "Agreement to Improve" to the Building and Safety Division - East Los Angeles District Office prior to the issuance of your building permit. The signature on the document must be notarized.

A permit from our Construction Division and a street improvement plan will be required for all road work. It is suggested that any plans needed for obtaining the permit be submitted as soon as possible to allow the maximum time for processing.

Note: Dedication of right of way on the alley is required for this site. Deeds will be prepared by our Mapping & Property Management Division and will be sent under separate cover as soon as they are ready. Occupancy will not be granted until all requirements are met and the Deeds have been executed

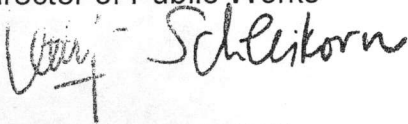

Longed
